

## **Don't Worry, Be Happy!** (What? Me Worry?! #8)

Ecclesiastes 2:17-26 NCV (pg. 462)

Real happiness comes from a *relationship* with **God**

How do we enjoy life?

Step 2 – ***Believe*** in God/Jesus

Step 3 – Give it to ***Him***

Matthew 5:1-12 NCV (pg.677)

BB 60:4 – 61:1, 62:3

What about my needs?

Note: Everything you ***need*** not everything you ***want*** (Philippians 4:19)

***Contentment***: A state of happiness and satisfaction (1 Timothy 6:6)

***Complacency***: Refusing to work to improve (Hebrews 6:7-12)

Through ***faith*** and ***patience*** you will receive what God has promised.
