

Willing to Make Amends (Cleaning Up Our Messes #3)

1 John 1:5-2:2 (p.832)

What happens when we *forgive each other* ?

If we confess our sins He will *forgive* us and *purify* us ...

The Power is the tie between *confessing* and *forgiving*

Godly confessing is not just *talking about our sin*

... it is not the same as *explaining our sin*

Godly confessing is *admitting responsibility*

... it is *shared pain*

That kind of confessing is a *gamble on grace*

Godly forgiveness is *remembering* and still *forgiving*
